The new after school pickup started and feedback was the 2<sup>nd</sup> through 5<sup>th</sup> grades pickup was a smooth process. K and 1<sup>st</sup> grade created lots of jams and traffic backup, so the planning committee is going to regroup and reevaluate the current flow especially with the parents who walk up to pick up kids.

**Principal's Report:** Ribbon cutting brought in a packed house. The school is waiting for some furniture to come in but otherwise the new space is now in use.
